AMENDMENT

20 Claims 1, 2 and 4-8 are now pending in this application. All of these claims were rejected
in the Office Action of November 28, 2003.

The drawings received on October 27, 2003 have been approved, and applicant's attorney
acknowledges such approval.

An interview in this case was held with the Examiner, Ms. Greta Robinson, on February
3, 2004 for discussion of the recently entered amendment in this REC application. The
courtesies extended to applicant's attorney during the interview are herewith acknowledged.

30 Discussion during the interview centered on the issue that the Examiner raised in the
recent Office Action of November 28, 2003, namely that by amendment of independent claim 1
of this application, the addition of the words, in the first paragraph of claim 1 after comprising,
"formed of light-image-responsive material" defining the first calendar and in the second
paragraph the phrase "of light images" defining projector 106, constitute new matter.
